Dear Dick,

Thank you very much for the beautiful build-out of the tenant space at 255 Detroit Street and also for a very clean and easy process! Your bid was competitive, you delivered the project on time and within budget, and the tenant (my client) is thrilled! I couldn't be more pleased with the project!

Thank you also, for all of the work you've done at the Lone Tree office for this same client. Both spaces look fantastic and we greatly appreciate all of your hard work!

I look forward to working with you again soon!

Sincerely,
