

Dick Todd  
9231 N. Surrey Dr.  
Castle Rock, CO. 80108

Dear Dick,

T. i. Builders did an amazing job of transforming our new office space. We had a very limited amount of time to work with and they handled it professionally and thoroughly. Changes were handled quickly and to our complete satisfaction. Our new office is a vast improvement over what we initially acquired and that was due primarily to T. i. Builders.
