

Ti Builders was an absolute pleasure to work with. They completed an intricate, 22 square foot office space build-out within our 3 month deadline and were not a day late. I am blown away by the attention to detail and precision of the entire Ti Builders team.

Dick has assembled a wonderful team who mirrors his values. They are honest, thorough, warm, communicative, present and incredibly professional.

We are so, so happy with our space and are deeply grateful to have had the best contractor working on our project. I highly recommend Ti Builders to anyone looking for a contractor who will deliver exceptional results for your next project.

Thank you Dick!
